## Academic Senate Minutes

Volume VII, No. 2

September 10, 1975

### Call to Order

The meeting was called to order by Chairperson Quane at 7:05 p.m. in 401 Stevenson.

### Roll Call

Roll call was taken, and a quorum was present.

### Approval of Minutes

VII, 20

A motion (Cohen, Upton) to approve the minutes of August 27 was made. Mr. Banks asked that on page one, in the next to last line, the words "a case" be deleted. The minutes were approved as amended.

### Resolution re Dean Belshe

At a previous meeting the Academic Senate requested the Secretary to write a resolution in appreciation of Dean Belshe's service as chairperson of the University Budget Team. Chairperson Quane read the statement:

The Academic Senate does hereby express its appreciation to Dean Francis B. Belshe for his skillful and professional performance of the duties of Chairperson of the Budget Team for Illinois State University.

VII, 21

A motion (Madore, Budig) to accept the resolution was approved.

### Chairperson's Remarks

Chairperson Quane stated that the election of the Panel of 10 and the Advisory Committee on Affirmative Action for Minorities had been delayed because there is still not a sufficient number of nominees. Chairperson Quane requested the senators to provide names of candidates and their vitae.

Mr. Hanrath reported that the Academic Senate softball team had been defeated on Sunday. He said he was sorry everyone couldn't make it to the game.

Chairperson Quane reported that two alternates have been moved up to regular positions on committees because of resignations from those committees. Diane De Long replaces Joe Honan, presently on leave, on the Economic Well Being Committee; Leah Wilcox replaces R. D. Goodwin on the Entertainment Committee.

### Administrators' Remarks

President Budig stated that the University has established a record enrollment of 19,048 on campus. The total enrollment for this year will very easily surpass the previous record established in 1972. This record represents a 1,000 student increase. Off campus enrollment is expected to be approximately 2500.

The University's total enrollment will therefore be well over 21,000. He stated that it might be worth noting that the full-time equivalency figure has gone up from 16,543 to 17,397, an increase of 854 in full-time equivalency category. The record figure on campus does not include adult and continuing off-campus enrollment. President Budig stated that he hoped to report those figures at the next Senate meeting.

Provost Horner reported that he had received information about White House Fellowships. In this program several people are chosen to serve as special assistants to the Vice President and to various Cabinet officials. The program is extensively competitive. If anyone is interested in participating in the program, Dr. Horner stated that he would supply the application forms.
